It is the South Lake Black Achiever's desire to give back to the local community, and we greatly appreciate your support in years past. Your contribution has allowed this organization to provide scholarships to several students over the past 26 years in need of monetary support for their educational endeavors towards college. We are anxiously looking forward to even greater success and financial contributions at this year's event. By purchasing tickets to the gala, placing ad sponsorships in the program booklet, and monetary donations in any amount is viable for this organization to continue its efforts in providing students the assistance they need to help pay for college expenses.
